EDUCATION

Bachelor of Computer Applications (BCA) **2023-2026**
JEMTEC **New Delhi, India**

Senior Secondary (CBSE) **2023**
The Baptist Convent Sr. Sec. School **New Delhi, India**

PROJECTS

Quiz It | HTML, CSS, JavaScript, Python
- Developed an interactive web-based quiz app that allows users to create and attempt quizzes with customizable questions and multiple-choice options. Implemented features such as dynamic question rendering, option selection with correct answer validation, and responsive UI for smooth usability.
-Focused on clean design, user engagement, and efficient handling of input data.

Personal Portfolio Website | HTML, CSS, GitHub
- Designed and developed a responsive portfolio website showcasing skills and projects
- Deployed live via GitHub Pages and integrated external links for professional presence

PRACTICE PROJECTS

Online Calculator (Web App) | HTML, CSS, JavaScript
- Built a basic calculator with clear UI and accurate mathematical functions
- Focused on layout design and responsive alignment

Flower Shop Landing Page Clone | HTML, CSS
- Recreated a flower shop UI
- Practiced clean coding structure and styling principles

TECHNICAL SKILLS

Languages | Python, Java, JavaScript, HTML, CSS
Frameworks | Bootstrap (basic), React (beginner)
Developer Tools | GitHub, VS Code, Canva, Figma
Libraries | Pandas, NumPy (basic), Matplotlib
